

# Digital Technologies

## Consumer Credit Cards

### Mobile App\*

- Make Payments
- Set up auto pay
- Establish Travel Notifications
- Manage alerts
- Fingerprint enabled access
- View transactions

**Get Started:** Download the free "Elan Financial Services" mobile app from the Apple Store or Google Play; or learn more and download the app<sup>1</sup> by visiting [www.myaccountaccess.com/mobileapp](http://www.myaccountaccess.com/mobileapp)

\* Online account access is required to get mobile app access

### Mobile Wallet

**Simple:** Just snap a photo to add your card to your payments app, then authenticate

**Safe:** Your card information is encrypted and never shared with retailers

**Convenient:** Checkout is easy and fast - just tap and go at millions of merchants

**Get Started:** Open the payments app on your phone, add your card\*\* to your device (just snap a photo), verify your card information; or learn more by visiting [www.myaccountaccess.com/digitalwallet](http://www.myaccountaccess.com/digitalwallet)

\*\*American Express is only compatible with Apple Pay

### myaccountaccess.com

**24/7 Access to your account:**

- Make payments
- Set up auto pay
- Review/redeem rewards
- Set up account alerts
- View balances, transactions and statements
- View Annual Account Summary and Spend Analysis

**Get Started:** To enroll, go to [myaccountaccess.com](http://myaccountaccess.com). Then select **ENROLL** from the top menu bar, complete the required fields, and click **SUBMIT**

### Geolocation

Visa® cardholders only: Geolocation<sup>2</sup> can verify that your mobile phone is in close proximity to your card, reducing the risk of card declines while traveling

**Get Started:** To enroll, log into the mobile app. Then select **MOBILE SETTINGS** from the app and tap the **GEOLOCATION** tab
